PROFESSIONAL PROJECTS

Fountain

Team Member

Spring 2020

Sponsor: Richard Pasquier

My team of eight students was asked to create a skeleton ordering website that emphasizes a restaurant's individual branding and values as a replacement for popular websites such as GrubHub.

- Applied skills in Figma, research, and teamwork to deliver a working product
- Championed project documentation and maintained project goals to keep team on track

MENTORING

Mentorship Opportunity

Spring 2021

- Volunteered to be a mentor and foster a relationship with one student mentee through weekly online meetings
